

sure you have, obviously you don't have to vote, but if you have an interest in recording your vote would appreciate you checking it. Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on the adoption of committee amendments.

SPEAKER WITHEM: The committee amendments are adopted. On the bill, Senator Warner.

SENATOR WARNER: Mr. President, members of the Legislature, I'd move the bill be advanced. Before the votes get away, I'll consider that a closing, that the explanation on the amendment was sufficient.

SPEAKER WITHEM: You've heard what Senator Warner wishes was the closing, but we have to call it the opening. Is there any discussion? Now we call it the closing, if you like. Closing is waived. Question is the advancement of LB 1083. All in favor vote aye, opposed vote nay. Have you all voted? Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on the advancement of LB 1083.

SPEAKER WITHEM: LB 1083 advances. LB 1101.

CLERK: LB 1101, offered by Senator Coordsen and Senator Abboud. (Read title.) The bill was introduced on January 13, referred to the Business and Labor Committee, advanced to General File. There are committee amendments pending.

SPEAKER WITHEM: Senator Abboud, on the committee amendments.

SENATOR ABOUD: Mr. President, colleagues, the committee amendment is more of a clarification. It strikes the words unemployed, so that it would...the way the original bill read it stated that an individual who is unemployed and on a leave of absence. And since they can't be both unemployed and on a leave of absence, the language unemployed was stricken. It was a technical mistake, so that was the committee amendment. I'd urge the adoption of the amendment.

SPEAKER WITHEM: Senator Coordsen, on the committee amendment.
